

Gloucester Rugby Showcase

Gloucester Rugby display stand

The CarryaRound was showcased at Guinness Premiership Gloucester Rugby stadium and proved to be a real winner with home and away supporters. Since the initial showcase day the CarryaRound has gone from strength to strength and now being displayed in every bar due to popular demand.

The re-usable Fold-away drinks carrier has become a must have gadget with the supporters, used week after week... not only a handy, easy to use piece of equipment but a great marketing vehicle..

Robert Mews Hospitality Management have found the CarryaRound to be the perfect product to carry four drinks easily. With one customer now able to carry up to eight pints bar congestion has been reduced, resulting in increased sales on busy match days.

Robert and his team have made great efforts to promote the product around the ground, hanging a carrier behind each bar was a nice touch and grabbed the fans attention! With increased speed in serving customers and ongoing savings on cardboard, the sales of the CarryaRound are paying dividends...

Cardboard Mountain !

A typical sight after the match.. thousands of cardboard carriers, used once and discarded.the cleanup begins!!

Environmental issues are at the forefront of every business mind nowadays and the CarryaRound is the answer when it comes to the huge amount of cardboard that's wasted each weekend at events across the country. The CarryaRound will last for years and can be taken to any event, helping cut down on the incredible amount of waste.

With each cardboard carrier costing around 10 pence and only used for a minute or two, not to mention the clean up! The CarryaRound is a positive move in the right direction.
